

Stockton Housing Sites Workshop

WHEN: Wednesday September 14th, 2022 5:00 – 7:00 PM

WHERE: Virtual (link below)

The City of Stockton invites members of the community to participate in a virtual workshop on potential sites for housing.

Please join us to learn more about the Housing Element site selection process and the Housing Action Plan priority sites.

We'd like to hear your input on potential housing sites for the draft Housing Element and your insights and ideas on the best sites to catalyze housing development in the near future.

The workshop will be interactive and hosted online.

Spanish translation will be provided during the workshop. Translation for additional languages may be requested at least 5 days before the workshop.
