# PURPOSE

The Clean City Initiative was launched in 2021 to advance new and existing programs to reduce trash accumulation and illegal dumping across the City. Programs include the following focused events:

- Drive-Thru Recycling
- Community Cleanups and Beautification Events
- Neighborhood Services Cleanups
- Homeless Encampment Cleanups

The initiative is a collaborative effort between the City Manager's Office, Public Works Department, Stockton Police Department, Republic Services, Waste Management, and community volunteers.

## SUMMARY OF EVENTS

The Clean City Initiative events continue to be well received by the community as a whole.

- The spirit of volunteerism is on the rise within our community as many residents and businesses have expressed interest in participating in planned cleanup and beautification events, as well as, planning community cleanups of their own.
- Bagged compost and paper shredding services were of special focus during the 2022 Drive-Thru Recycling Events as many people participated in these events solely for this item and service.
- City staff-planned cleanup events continue to provide a cleaner, safer environment for all who work and live in our community.

# DRIVE-THRU RECYCLING EVENTS

The City of Stockton, together with Waste Management and Republic Services, hosted 6 events located at various locations citywide. These events were popular among residents, with 2,028 total vehicles served. The following images show the annual collected totals. Appendix A provides the detailed breakdown by event.

# NEIGHBORHOOD SERVICES EVENTS

The Stockton Police Department's Neighborhood Services Section (NSS) worked with various communities to take proactive steps to improve quality of life by enforcing the removal of garbage and blight, working to reduce crime, and increasing the sense of safety. The Neighborhood Betterment Team (NBT) is a two per year, 90-day program that includes a large-scale neighborhood cleanup day. Similarly, Code Enforcement Sweeps focus on blight, have a shorter duration, and provide a neighborhood cleanup day. The Police Department, together with Waste Management and Republic Services, hosted 5 Neighborhood Cleanup events at various locations citywide with 682 vehicles served. The following shows the annual collected totals. Appendix C provides the detailed breakdown by event.
