<sup>1</sup> Key charges are allowed when container access requires the driver to carry a key and unlock a lock to empty the container. Key charges do not apply if a customer's lock is left in the unlocked position.

<sup>2</sup> Charges for key, enclosure, gate, and long walk service are not cumulative pickup charges. The contractor's rates for a customer requiring one or more of these services will be a maximum rate (as specified in the table above) as adjusted for CPI.

<sup>3</sup> Enclosure charges are allowed when collection required removing a container from an enclosure and replacing it when emptied.

<sup>4</sup> Gate service charges are allowed when collection requires opening a closed or locked gate in order to access a container.

<sup>5</sup> Long walk charges are allowed when a container is placed further than 10 feet from where the collection vehicle has access.

<sup>6</sup> Stinger service - Small truck retrieval of containers from hard-to-reach places (example: narrow street or small enclosures) or, from facilities in which the customer requested this service. Service is completed using regular collection vehicles. Containers are returned to the original location by the small retrieval truck.
