Community

Stockton is a renewed city! Having recently emerged from bankruptcy, Stockton is a city that is perhaps better prepared for the future than any other city in California, with a thorough understanding of its operations and finances, and the tools to adjust to economic conditions for decades into the future. With its financial house in order, Stockton has been through the most significant period of change ever experienced in its 165-year history.

Stockton is the 13th largest city in California with a dynamic, multi-ethnic, and multi-cultural population of over 300,000 residents. Located in California's great Central Valley, Stockton has grown from a community with rich agricultural roots to an urban destination with an emerging arts and cultural scene, fine dining, shopping, sports, recreation, and family activities.

Stockton is the home of the University of the Pacific, California State University, Stanislaus extension campus, San Joaquin Delta College, and the robust and thriving Port of Stockton with direct waterway access to the San Francisco Bay. Year-round events and venues include the Annual Jazz Brubeck Festival, Bob Hope (Fox California) Theatre, Children's Museum, Haggin Museum, San Joaquin County Fairgrounds, and the Stockton Symphony. The 10,000-seat multi-purpose waterfront Stockton Arena is home to the Stockton Heat, an American Hockey League affiliate of the Calgary Flames. The adjacent 5,000-seat Stockton Ballpark is home to the Stockton Ports, the single-A minor league baseball affiliate of the Oakland A's.

With all of this and so much more to look forward to, Stockton's future is bright.

The Position

This is a management level class that is responsible for overseeing administration activities throughout the City related to the function of procurement, contract, materials management, and bidding which includes centralized procurement of materials, technology products, supplies, equipment, services, and the storage and control of such items. This position is also responsible for the management of reprographics including duplicating, document services, and mail functions. This class is distinguished from the Assistant Chief Financial Officer in that the latter assumes full responsibility for other divisions in the Administrative Services Department.

Ideal Candidate

The ideal candidate is an energetic leader who has extensive experience in managing government purchasing and contract processes. The ideal candidate should possess excellent communication and customer service skills, have an eye for process improvement, place the highest value on community needs and ethical standards, and enjoy working in a close-knit team environment. This position serves as the face of purchasing for the City and must be able to develop relationships among and between City departments and the vendor community.
